ENVIRONMENTAL POLICY

Our commitment to responsible resource use and environmental care

POLICY COMMITMENT NURIVA ORGANIC (PVT.) LTD. is committed to conducting its activities responsibly and reducing avoidable environmental impacts, as relevant to our operations. We aim to use resources thoughtfully, prevent pollution where practicable, and continually improve our environmental practices.

COMPLIANCE We aim to identify and comply with applicable environmental laws, regulations, permit conditions, and other requirements relevant to our activities.

RESOURCE CONSERVATION We encourage responsible use of water, energy, raw materials, and packaging, and seek practical opportunities to reduce unnecessary consumption and waste.

WASTE MANAGEMENT & POLLUTION PREVENTION We aim to segregate and store waste appropriately, maintain clean work areas, prevent spills and improper disposal, and use suitable waste handling or recycling arrangements where available.

RESPONSIBLE OPERATIONS Where practicable, we consider environmental impacts when selecting materials, suppliers, packaging, storage methods, and work practices, while maintaining applicable product safety and quality requirements.

AWARENESS & PARTICIPATION Relevant personnel are encouraged to follow environmental procedures, avoid waste, report spills or environmental concerns, and take part in practical improvement activities.

OBJECTIVES & CONTINUAL IMPROVEMENT Management aims to review relevant environmental risks and opportunities, set practical improvement objectives where appropriate, and monitor progress as part of routine business review.

COMMUNICATION & REVIEW This policy is to be communicated to relevant personnel and made available to interested parties as appropriate. It will be reviewed periodically and when activities, requirements, or environmental risks change.
